Essay

At Cnam, we value motivation, curiosity, and authenticity. These questions are designed to help us get to know your experience, your way of thinking, and your professional ambitions. There are no "right" or "wrong" answers. However, we are interested in your perspective. A word of advice: Your answers should reflect your personal experience and understanding. Avoid generalities and focus on specific examples that demonstrate your thinking, actions, and learning.

1- Motivation & Career Vision

Describe your professional project. How does it relate to your experience and why is it coherent with the specialization you are applying for?

Limit: 200 words

Which skills in particular do you hope to develop during this Master?

Limit: 150 words

Which courses from the curriculum of this master drew your attention the most, and why?

Limit: 100 words

2- Personal & professional experience

Which specific experience(s) triggered your interest in studying Management?

Limit: 200 words

Describe a project (professional, personal or academic) you enjoyed working on and explain why it was important to you and what you learned from this experience?

Limit: 200 words

Describe a situation where you took the lead or initiative (academically or professionally).

Limit: 150 words

3- Understanding of Management

Think of an organization you know well (work, internship, volunteer experience, or a company you admire). What do you think are its main strengths and challenges? Illustrate your answer with examples.

Limit: 150 words

Describe a trend or change in the business world that you find interesting or important. How might it affect the way companies operate?

Limit: 150 words
